PETITIONING THE COURT

☒ To modify the conditions of supervision

**ADD:**

52. The defendant shall participate in and successfully complete inpatient treatment at a facility designated by Pretrial Services. Defendant must comply with facility rules and follow any aftercare recommendations as directed by Pretrial Services. The defendant shall not abort treatment without prior approval of Pretrial Services.

**CAUSE**

The defendant made his initial appearance before Your Honor on January 22, 2015, and was released on bond with the special conditions noted above. The defendant completed intake with this officer on January 23, 2015, at which time conditions of supervision as well as conditions of bond were explained to the defendant who indicated he understood. Consequences of non-compliance were also explained to the defendant.

The defendant has admitted to a serious substance abuse addiction and is requesting treatment. An inpatient bed has been secured for the defendant at Pioneer Center North in Sedro Woolley, Washington on February 25, 2015. This is a 60 day intensive drug treatment program. After this treatment program is completed, the defendant will return to the home of his parents, who have agreed to let the defendant continue to reside with them. Outpatient treatment will be arranged for the defendant as close to his residence as possible.

In light of the defendant's request for treatment, it is respectfully recommended his bond be modified to include a condition that he enter into and successfully complete an inpatient treatment program.

Both Defense counsel and Assistant U.S. Attorney have been notified and concur with the recommendation.
